31 December 2016 – OLD YEARS EVE AT AFRICAN PRIDE IRENE COUNTRY LODGE

The Management and STAFF wish you and your family a prosperous new year!

Meadow Green Restaurant (19h00 to 23h00)

The Meadow Green Restaurant will be offering a sophisticated, upmarket evening.

The dinner theme for old year's eve is **Saturday night live**. Our Executive Chef has created a fabulous 6 course dinner menu with options allowing you to relax and enjoy the ambiance as we serve your table from the central cooking island.

All our dinner guests are invited to gather next to the lake to release Chinese lanterns from 21h00. During celebrations, lanterns are considered to bring joy, happiness, prosperity and good luck for those people who release them.

Make your wishes for 2017 and set them free into the night sky.

Our resident pianist will be performing in Meadow Green from 19h00 to 23h00.

The price of R525 per person includes a complimentary bottle of Methode Cap Classique per two people. Please note **Prokard Explorer dining benefits do not apply** to this special event.

You are most welcome to head out to the party venues after dinner but for those wanting to relax and socialise we have decided to keep Oak bar open until 2 am. There will be a countdown as we cross to the New Year's celebrations on the big screen in the bar.

Thank you for your patronage and we trust you will spend a most memorable and enjoyable holiday season at Irene Country Lodge.

"HAPPY NEW YEAR" – May 2017 bring you all the happiness in the world.
